

FIDICA

MORE EFFICIENCY. MORE SAFETY. MORE COMFORT.

FIDICLEAN® - NEXT GENERATION

With the new generation of **FIDICLEAN**, we are once again setting standards in the **cleaning** and **preservation** of tools and cooling channels. The innovations ensure maximum **user-friendliness**, highest **reliability**, and **enhanced performance**.

YOUR BENEFITS AT A GLANCE

MAXIMUM SAFETY

Strict **separation** of cleaning and preservation agents – **no risk** of mixing

EASIEST OPERATION

Reduced number of control elements for **intuitive handling**

CLEAN RESULTS

2-stage filter system for coarse contamination

MORE EFFICIENT

Improved flushing performance for **optimal cleaning** through larger cross-sections

QUIET IN OPERATION

Significantly reduced noise levels for more **pleasant working conditions**

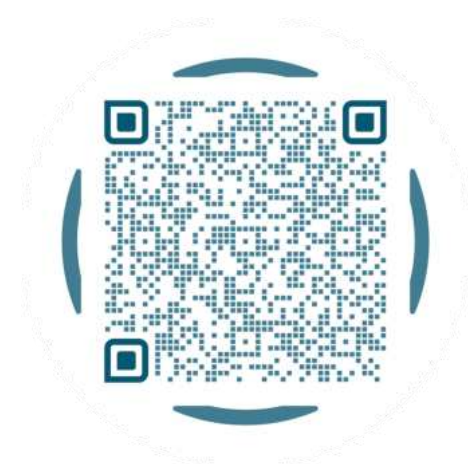

FIDICA GMBH & CO.KG
FROHNRADSTR. 7-9
